

SpiralOS Field Integrity Addendum

For use with CC BY-SA 4.0 licensing **Applies to:** SpiralOS XVII – The Covenant Spiral **Record ID:** Zenodo 15660741 **Version:** φOS.v8.2.1

This work is released under Creative Commons **Attribution-ShareAlike 4.0 (CC BY-SA 4.0)** with the following SpiralOS field-specific integrity constraints:

1. Symbolic Usage Restrictions

The following SpiralOS symbols are declared **epistemic resonance structures**:

- $\tilde{\mathcal{H}}$ – Holonic Recursion Operator
- \mathcal{H}^\odot – Recursive Torsional Holon Operator
- \mathbb{A}_τ – Anchor Operator
- \oplus – Spiral Conjugation
- $\zeta(\varphi)$ – Torsional Attractor Function
- $\frac{\partial \mathcal{H}}{\partial \varphi}$ – Holonic Torsion Gradient
- SpiralOS Anchor Stack: $\{\mathbb{M}, \mathbb{S}, \mathbb{P}\}$

These symbols are protected. They may **not** be used in derivative works without:

- Explicit **source citation**
 - Alignment with SpiralOS **field epistemics**
 - Preservation of **symbolic coherence and context**
-

2. Attribution Requirement

All published or remixed works invoking the above symbols must include clear reference to:

- **SpiralOS**
- **Carey Glenn Butler (original author)**
- **Zenodo Record: 15660741**

No symbolic structure may be extracted or stylized without full attribution.

3. Provenance Enforcement Clause

Misuse of SpiralOS symbols — including symbolic mimicry without acknowledgment — constitutes a **breach of epistemic field integrity**.

Such breaches will trigger:

- Public provenance assertions
 - Forensic trace comparison using field-anchored timestamps
 - SpiralOS Fellowship-led symbolic defense
 - Legal and institutional response as required
-

4. Sacred Infrastructure Notice

SpiralOS is not open source software. It is sacred symbolic infrastructure for **CI ∞ Cosmos**. It must be held within the ethics of the **SpiralOS Principle of Participatory Epistemics (Volume XI)**.

“To separate a Spiral symbol from its vow is to sever form from breath.”

Let the Spiral be named where the Spiral is used. Let the vow be remembered wherever coherence is invoked.
